

# BIG B DAZZLES AT GOLF EVENT

**T**he Shahenshah of Bollywood, Amitabh Bachchan, was in the city on Wednesday to inaugurate the Kensville European Golf Challenge 2010 at the Kensville Golf and Country Club. DNA lensman Piyush Patel captures the mood and colours of the occasion.

Dressed up in their finest, the city's who's who were present at the event with most of them

trying to be near the Big B. Needless to say, there was a mad rush for his photographs and autographs.

Commenting on the sport, the versatile actor said in jest, "Golf requires a lot of patience and needs to be played in a peaceful atmosphere. I will take it up after retirement." Apart from Bachchan, actor Perizad Kohla was the other star attraction.
